Replacement Biometric Residence Permit (BRP RC) Application - Payment Guidance Notes

The applicable fee

For an application made on this form for a replacement Biometric Residence Permit (BRP RC) there is normally a fee of £56 for applications made by post. However, if you are a recognised refugee or were granted Humanitarian Protection and you previously were issued a BRP in either of those categories there is no fee to pay.

You may be able to make an application in person at a Premium Service Centre for a same day consideration of your application. There is an additional fee for this service and all fees will be taken when you book an appointment. You can only make on-line or in person payments by using one of our accepted credit or debit cards (see below). For more details and to book an appointment please visit www.gov.uk/ukvi-premium-service-centres.

Biometric enrolment fee

As part of your application you are required to enrol your biometric information. You will be charged an additional handling fee for this service (unless you qualify for an exemption or submit your application at a premium service centre), payable to Post Office Ltd. You must pay the fee by cash or debit card when you attend Post Office Ltd to enrol your biometrics. Each dependant included on your application must also pay this fee when they enrol their biometric information, unless exempt. Do not send the biometric enrolment fee with your application fee.

Applicants on some immigration routes are exempt from paying an enrolment fee at the Post Office Ltd. If you are in one of these categories you will be informed of this when we send you a biometric notification letter.

Your application may be rejected as invalid if you do not enrol your biometrics when requested.

How you can pay

You can pay by any of the following methods:

- Cheque/Bankers Draft.
- Postal Order.
- Credit card¹ - Mastercard, Visa (including Electron) or American Express (Amex).
- Debit card - Delta, Maestro* (including Solo).

* Maestro - We can accept any Maestro card if you are applying in person at a Premium Service Centre but only Maestro cards issued in the UK if you are applying by post.

Please note that your application is invalid if you do not pay the specified fee in full or if you pay by any method other than those specified above. You will be required to make a fresh application, and any delay in doing so may affect your appeal rights if your application is subsequently refused.

Cheques and postal orders

You must make the cheque or postal order payable to 'Home Office' and cross the cheque or postal order A/C Payee only. Please write the full name and date of birth of the applicant on the back of the cheque and/or each postal order and keep the postal order receipt(s). Please make sure that the date and the amount (words and figures) are correct and that the cheque is signed properly. Attach your cheque or postal order(s) to the front of the application form.

¹ Please note that when making large or multiple payments using your credit card, the anti-fraud measures that banks operate sometimes stop the full payment being taken. This can happen for a number of reasons. To prevent this you may inform your bank of your intention to make large or multiple payments in advance so that your bank allows the full payment to be taken when you submit your application. Please be aware that not all banks offer this service.

This fee will be payable once the application form is received by the Home Office or its payment processing agent, regardless of the outcome of the application. If your application contains errors or is missing information it may be rejected as invalid. Replacement Biometric Residence Permit (BRP RC) - Application Form Help Text

Introduction

This document provides information to help you to complete the Biometric Residence Permit (BRP RC) application form.

For further information on Biometric Residence Permit (BRP) policy please see the biometric registration section of the UK Borders Act 2007, and the Biometric Residence Permit (BRP RC) policy guidance notes.

These documents are available on the Home Office website at: www.gov.uk/replace-brp

All the above documents are available in Welsh, Braille, large print, audio and other alternative formats on request.

Who should apply using this form?

This application form should only be completed if you are already in the United Kingdom. You should use the application form if you are:

- applying for a replacement Biometric Residence permit (BRP(RC)) because the Biometric Residence Permit or Immigration Status Document has been lost, stolen, damaged, or expired after receiving indefinite leave to remain.

This application form should not be used by your dependants. They should complete a separate application form.

Submitting a valid application

You will only be considered to have submitted a 'valid' application if the following has been complied with:

- the correct application form must be completed and submitted.
- the correct application fee must be paid.
- your current passport, Biometric Residence Permit (BRP) or Immigration Status Document if applicable or travel document must be provided, unless it is not available for one of the reasons specified on the application form.

- the mandatory sections in the application form must be completed.
- Two identical passport-size photographs of you with your full name written on the back of each one must be supplied.

The photographs provided must be in the format specified in the separate photograph guidance, which can be found on our website at: www.gov.uk/photos-for-passports. Please ensure that they are placed in a small sealed envelope attached to Section 2 of the form as instructed there - and without any staples, clips, pins or anything else which could mark or damage the photographs.

Supporting evidence

It is your responsibility to provide the evidence to support any statements made in your application. You must satisfy us that the requirements for the category under which you have applied have been met. We must be satisfied, by considering the evidence provided that you meet the necessary criteria.

You must ensure that all of the necessary supporting documentation is provided at the time the application is submitted. Only those documents specified in the application form, the Immigration Rules and set out in detail in the Biometric Residence Permit (BRP RC) Policy Guidance will be considered acceptable for the purposes of establishing that you qualify for the points claimed in any scoring area.

You must be selective in submitting evidence, as sending large amounts of irrelevant or poor quality documentation may delay the consideration of the application. It is only necessary to submit evidence that is directly appropriate to the application as requested, as unrelated evidence cannot be considered for points scoring.

To assist us in considering the documentation provided, you should highlight any relevant sections on the documentation provided.

Any documentary evidence that you provide should be original (unless otherwise stated).

Where a document is not in English or Welsh, the original must be accompanied by a fully certified translation by a professional translator. This translation must include details of the translator's credentials and confirmation that it is an accurate translation of the original document. It must also be dated and include the original signature of the translator.

Please note that you should complete all sections of the form as well as the relevant part of Section 3 depending on the reason for applying for a replacement Biometric Residence Permit.

Question-specific help text

Further advice on specific questions in the application form is detailed below.

B1 - B4 You should provide full details of your name and title. If you have previously been known by any other name(s) you should provide full details of each name, the date of each change and submit the relevant supporting legal documentation.

Evidence of name change(s) should show your full name before and after the change and may include:

- deed poll documents; marriage certificates; or divorce certificate; and,
- both the old passport and the new passport.

Should you submit documentation in support of your application that refers to you under a name(s) not given in this section, we will not consider that documentation.

B6 You should indicate your gender. If you have been the subject of Gender Reassignment and the application contains documents relating to previous identities, you should provide evidence of your change of gender and you should tick to reflect your current recognised gender.

B10 All Home Office applications are given an individual reference number. This allows us to track and link past applications. You should provide your full Home Office Reference number. This number can be found on any previous Home Office correspondence relating to you. You may have numerous Home Office reference numbers and should provide all such numbers.

B11 National Insurance Numbers are usually in the format of 2 letters followed by 6 numbers followed by 1 letter e.g. XX 123456 X or 2 numbers followed by 1 letter followed by 5 numbers e.g. 12 X 34567. Where you do not have a National Insurance number in this format this question should be left blank.

C1 Please check below to see if you are able to use this form.

E1 - E10 We will carry out criminal record checks on all applicants and dependants. You must give details of all unspent and spent criminal convictions. This includes road traffic offences

but not fixed penalty notices (such as speeding or parking tickets) unless they were part of a sentence of the court. This includes all drink-driving offences.

A criminal conviction is the verdict given when a court of law finds a person guilty of a criminal act and they receive a sentence.

A sentence is a penalty applied to a person found guilty of a criminal act.

A criminal act is the intentional commission of an act usually deemed socially harmful or dangerous and specifically defined, prohibited, and punishable under criminal law.

A civil judgment is the final decision of a civil court at the end of a trial. The judgment is based upon the application of civil law to the pleadings and facts of the case. A civil judgment may be appealed by either party.

A civil penalty or civil fine is a financial penalty imposed by a government agency as restitution for wrongdoing. The wrongdoing is typically defined by regulations. The civil fine is not considered to be a criminal punishment, because it is primarily sought in order to compensate the state for harm done to it.

For the purpose of answering questions **E5** to **E9**, the following information provides guidance on actions which may constitute war crimes, crimes against humanity, genocide, or terrorist activities.

This guidance is not exhaustive. The full definitions of war crimes, crimes against humanity and genocide can be found in Schedule 8 of the International Criminal Court Act 2001 at www.legislation.gov.uk/ukpga/2001/17/contents or purchased from The Stationery Office (telephone 0870 600 5522). It is the applicant's responsibility to satisfy him/herself that he/she is familiar with the definitions and can answer the questions accurately.

E6 - War crimes

Grave breaches of the Geneva Conventions committed during an armed conflict. This includes an internal armed conflict and an international armed conflict. The types of acts that may constitute a war crime include wilful killing, torture, extensive destruction of property not justified by military necessity, unlawful deportation, the intentional targeting of civilians and the taking of hostages.

Crimes against humanity

Acts committed at any time (not just during armed conflict) as part of a widespread or systematic attack, directed against any civilian population with knowledge of the attack. This would include offences such as murder, torture, rape, severe deprivation of liberty in violation of fundamental rules of international law and enforced disappearance of persons.

Genocide

Acts committed with intent to destroy, in whole or in part, a national, ethnical, racial or religious group.

E7 - Terrorist activities

Any act committed, or the threat of action, designed to influence a government or intimidate the public and made for the purposes of advancing a political, religious or ideological cause and that involves serious violence against a person; that may endanger another person's life; creates a serious risk to the health or safety of the public; involves serious damage to property; is designed to seriously disrupt or interfere with an electronic system.

E8 - Organisations concerned with terrorism

An organisation is concerned with terrorism if it commits or participates in acts of terrorism; prepares for terrorism; promotes or encourages terrorism (including the unlawful glorification of terrorism); or is otherwise concerned in terrorism.

J10 The Office of the Immigration Services Commissioner (OISC) regulates United Kingdom based immigration advisers. As a requirement of Section 84 of the Immigration and Asylum Act 1999, United Kingdom representatives, who offer advice and services in relation to an application, will need to be regulated by the OISC unless they are authorised to practice by a designated legal professional body or fall within a category of persons specified in an order made by The Secretary of State under subsection 84(4) (d) of the Immigration and Asylum Act 1999.

The representative should indicate whether he/she is regulated by the OISC, or the basis on which he/she is otherwise authorised to act in this capacity on the migrant's behalf.

An advisor could be committing a criminal offence if he/she acts on the applicant's behalf without being OISC regulated, or otherwise authorised in accordance with Section 84 of the Immigration and Asylum Act 1999.

J11-J12 If the representative is regulated by a designated legal professional body, listed below, or if he/she works under the supervision of such a person, they will not be required to be regulated by the OISC.

Designated bodies are:

- The Law Society;
- The Law Society of Scotland;
- The Law Society of Northern Ireland;
- The Institute of Legal Executives;
- The General Council of the Bar;
- The Faculty of Advocates;
- The General Council of the Bar of Northern Ireland.

The representative should indicate of which organisation he/she is a member. The representative should indicate whether he/she is personally a member of this organisation or whether he/she is working under the authorisation of another registered member.

Where the representative is not a direct registration holder and is working under the supervision of another registered person, the representative should name the registered supervisor under whom he/she is working.

If a representative makes an application on behalf of an applicant, and that representative is not permitted to provide advice and immigration services (by section 84 of the Immigration and Asylum Act 1999), the Home Office will inform both the representative and applicant of the requirements of the Act, and send further letters (if applicable) to the applicant stated on the application.

You should complete the summary sheet before submitting your application. You should also ensure that you list all the supporting documentation you have submitted with your application.
