If your application contains errors or is missing information it may be rejected as invalid. Your application will not be considered and your fee will be refunded less an administration fee of £25 for each person included in the application.

We cannot begin the consideration process until the payment has cleared. We allow 5 working days for payments made by cheque to clear, credit/debit cards and postal orders will clear immediately.

The guidance notes are available on the Home Office website and must be read when completing this section. Exemption from meeting the income threshold

If you claim to be exempt from meeting the financial threshold you must submit the relevant evidence, as specified in Appendix FM-SE, of your eligibility to be exempt.

Yes - go to section 8B No - go to question 8.2

Calculating the relevant income threshold

The financial requirement that you must meet will vary according to the number of child dependants being sponsored for leave to remain in the UK including those who are not part of this application. For these purposes 'child' is a dependant who is under the age of 18, or was under the age of 18 years when they were first granted entry under this category and who remain dependent on you. You must also take into account any child dependants under the age of 18 that you or your sponsor is already sponsoring in the UK.

- Children who are British Citizens or not subject to UK immigration control do not need to be considered when calculating the minimum income threshold.
- Children who are applying for leave as part of this application and are subject to UK immigration control must be considered when calculating the minimum income threshold you must meet.
- You must add the number of these children to the number of any your sponsor is already sponsoring in the UK.

Documents required to support meeting the requirement are listed in Appendix FM-SE.
